Student Log-In for K-5 Reading, Science, and Math

Dear Parents,

Below are directions on how to access K – 5 online Reading, Math, and Science materials available through the OCPS LaunchPad site. Materials are located in the Houghton Mifflin Harcourt Think Central icon. Think Central is an all-in-one learning site that provides access to digital books, activities, readers, and more. Also the i-Ready Reading and Math programs are located in Launchpad and other apps. View a login tutorial at: https://mix.office.com/watch/snno06jma610

1. Open web browser: **Google Chrome** , **Mozilla, or Internet Explorer (preferred browser)**

2. To enter the **OCPS LaunchPad** website type in the browser: *launch.ocps.net*

3. Use Auto login and complete the Authentication Required Pop Up Box (if needed)

NOTE: A dialogue box might appear asking you to Authenticate or Log-In again, this occurs when the student is "off of the OCPS network" (in other words, not on an OCPS computer). If you get this box or an Authentication Request, type the **Student Number@ocps** in the **Username** and then the **student date of birth** is the **Password.**

Enter the Username: **Student Number**
Enter the Password: **Student Date of Birth** (**YYYYMMDD**)
example: 20031203 (December 3, 2003)
Click **Sign In**

4. Once logged in, choose one: **Typing Club**, **i-Ready**, or **HMH** (Typing club icon not shown)

i-Ready has Reading and Math, **Typing Club** has assignments in order and **HMH** gives

access to class textbooks when you click on

5.

Gives you access to the online version of your child's textbooks (Reading, Math, Science). From here, you can print pages, read stories, watch tutorials, etc.
